Diagnosi Diagnostica e Orientamento del Referente INVALSI per la Quinta M:

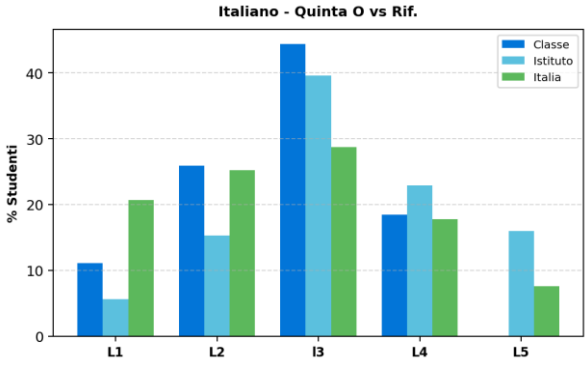

La classe Quinta M presenta un profilo solido e bilanciato nelle discipline linguistiche ma con margini di miglioramento nella fascia scientifica. In Italiano il tasso di raggiungimento dei traguardi si attesta al 17 (73,9%), mentre in Matematica evidenzia un valore del 17 (73,9%). In Inglese Reading il 21 (91,3%) raggiunge l'obiettivo B2, contro il 14 (60,9%) nell'ascolto. Si raccomanda di potenziare le simulazioni di ascolto critico in madrelingua e di consolidare i moduli di problem solving matematico in vista dell'Esame di Stato.
